

# Chronic Cake

**Lineage:**

Wedding Cake x La Bomba

**Flowering Time:**

8-9 Weeks

**Yield:**

High

**Potency**

27-30%

**Aroma:**

Gas, Cream, Kush, Spice

**Notes:**

This cross is essentially a Wedding Cake Bx since La Bomba is Wedding Cake x Jet Fuel Gelato, so expect phenotypes to lean heavily towards J Beezy's world famous cut. Creamy, kush, and gas are well-represented, with roughly 50% fading purple and leaning towards sweet terps, while most of the gas-heavy phenotypes remain greenish.
